"Encourage the beloved of God and be a source of joy and gladness to the Bahais. Hold meetings and read and chant the heavenly teachings, so that city may be illumined with the light of reality and that country become a veritable paradise by the strength of the Holy Spirit, for this cycle is the cycle of the Glorious Lord and the melody of oneness and solidarity of the world of mankind must reach the ears of the East and West."

Tablets of Abdul-Baha, Vol. III, 1919, page 631.
