People interested in investigating the truth for themselves are invited to read the About page on the Reform Bahai Faith website:
"The Reform Bahai Faith affirms the universal spiritual and moral principles taught in all of the great religious traditions...."

About the Reform Bahai Faith
<http://reformbahai.org/about.html>

Long suppressed by Bahais of other denominations, Reform Bahais have returned to, and renewed, Abdul-Baha's 1912 Authentic Covenant, an open, simple, universal conception of faith for the modern global age, not a theocracy, which has been removed from the historical record by all other Bahai denominations, and was delivered in New York City, which is why it came to be called the City of the Covenant-not the fraudulent will and testament of 1921, judged as such in 1930 by C. Ainsworth Mitchell, the document expert for the British Museum and one of the most outstanding forensic science researchers of the first half of the 20th Century:

“To be a Bahai simply means to love all the world; to love humanity and try to serve it; to work for universal peace and universal brotherhood.” —Abdul-Baha
